### **DADE MARKET REPORT** PREPARED BY LEVEL 5 LEADERSHIP INC. | KELLER WILLIAMS

### LEVEL5 LEADERSHIP GROUP

The Keller Williams Level 5 Leadership group of offices is proud to bring you the 2021 3Q Market Report. Your trusted source for real estate sales and trends in the market. As you will see our focus for this publication includes the overall Metro Miami Market and is searchable by the neighborhoods and cities within its boundaries.

Understanding the statistics requires a deep dive into the market and an agent who can understand the numbers, how they correlate and can interpret the trends of the future. There is no substitute for understanding the nuances of each local market and that is the benefit of hiring a skilled knowledgeable Keller Williams Level 5 Leadership agent as your trusted source for all aspects of the real estate transaction.

The market has been in an unprecedented Seller's Market with historically low inventory and interest rates for the greater part of 2021. The price appreciation over the last year has been incredible and has created wealth for many. That being said, Interest Rates are beginning to rise and with the end of the forbearance moratoriums as well as the foreclosure moratorium we do expect inventory to start coming online and providing a bit more balance to the markets. The South Florida market continues to be one of the hottest markets in our country and it is poised for continued growth due to our favorable business environment, warm weather, diverse culture, and lifestyle. This indeed is a winning formula and why so many choose to make South Florida their home.

Level 5 Leadership Inc. (L5L) manages several Keller Williams Realty offices with locations in Miami Beach, Miami Lakes, Pembroke Pines, Weston and Plantation Florida. Our mission is to transform lives by creating opportunities for others and building wealth through Real Estate. Our vision is to create a legacy with humble, persistent and passionate people and to deliver the best service to our clients.

Do you have a Real Estate need? Whether you're looking to sell, buy or lease our skilled and professionally trained agents would love to earn the opportunity to work with you.
